

## **Group Dynamics**

Examination Number: 61115

### **Contribution Summary:**

All three group members (61115, 70320, 68729) collaborated on the entire project. The work was divided as follows:

- **Questions 1 and 4:** Completed by 70320 and 68729 working together.
- **Questions 2 and 3:** Completed by 61115.

### **Review Process:**

After each member completed their assigned questions (both the R code and the corresponding sections of the report), all group members reviewed each other's work. During this review process, we made corrections to the code and rewrote parts of the report to ensure consistency and accuracy across all sections.

### **Disputes or Disagreements:**

There were no disputes or disagreements within the group.
